Memories of Mickey

Mickey loved being a Tecumseh Eagle and he wore the uniform with great pride.

We know that Mickey would be very proud of each and every one of you competing in tonight's game. And we are very proud to see this game, the Mickey Renaud Cup, being played in Mickey's honour.

Take a lesson from Mickey; win or lose, the most important thing is to always play your hardest and to always have fun. It's the way Mickey approached everything in life. He believed it would help him to be a leader in life. You are all here because you have earned this opportunity. Enjoy it and good luck.
