Re: New OHF Residential Transfer Request Portal
Bulletin ID: 24-011

The OHF Minor Hockey Player Transfers for Residential Move are internal transfers within the OHF for minor players moving from one Minor Hockey Member residential centre to another Minor Hockey Member residential centre.

Per [OHF Regulations E55](#), players who have changed their residence with their parent(s) or guardian(s), and as a result of that move have changed Minor [Members](#) will require approval from the OHF.

The process for the OHF Player Residential Move between Members is transitioning from email submissions using a PDF form to a platform-based, electronic form with document upload functionality.

Click to view the platform [Residential Transfer Request](#). The platform went live today, Monday, March 4, 2024. The [OHF webpage](#) has also been updated to reflect the new process. Please adjust your webpages accordingly.
